What is the Equine Owners and Trainers Liability Insurance Program? – This is a policy program for members of the National Horsemen's Benevolent and Protective Association designed to protect you from bodily injury or property damage liability claims or suits arising out of your horse activities (including breeding, racing, sales, and training). This insurance has been designed for the equine exposures you as a member of The National Horseman's Benevolent and Protective Association may have.

What is Insured? – Subject to the exclusions and conditions of the policy; coverage for liability from bodily injury to participants (other than your employees) is covered. This insurance is not a substitute for workers' or workmen's compensation coverage and is not health or accident insurance for participants. The policy is designed to respond to allegations that you are responsible for injury or damage arising out of horse activities.

What Else is Insured?

- Liability you are required to assume under a written contract or agreement to indemnify or hold another harmless for horse activities.
- Personal and advertising injury related to your horse activities.
- This coverage is not a substitute for a farm liability and/or property policy. If you already have a farm liability policy with an equine activities endorsement, this insurance is limited to bodily injury to participants and applies as excess insurance to any other coverage afforded under the farm form.

Limits of Insurance – Each member additional insured has their own **\$1,000,000** coverage for each occurrence or offense and **\$2,000,000** general aggregate. Damage to premises rented to you or occupied by you with the permission of the owner is provided with a limit of **\$50,000**. Medical Payments coverage applies as well in the amount of **\$5,000** per person.
